

SRC Annual Report for the PC 2026

SRC continues to thrive, and bookings are increasing. All the money received from hirings is used for the upkeep of the Recreation Centre.

We continue to host the Cricket Club, The Scothern Players, Zumba, Scouts / Beavers, two Sewing clubs and Junior Football Training as well as a good number of ad hoc bookings for parties etc. We have welcomed back Scothern Football Club, they have bought new goal posts with some financial assistance from us. There is an ongoing issue with field flooding in some areas but we consider this to be a fact of life with the rainfall we've been experiencing. We do have some options for improving the drainage but they are very expensive.

Improvements are continuing, we shall be installing a barrier on the left hand side of the car park to prevent damage to our neighbours fence.

The Cricketers annual beer festival will be held at the end of May.

Flix in the Stix continues to be popular and we'll be holding another Fashion Show later this month.

We receive support from the Parish Council for grass cutting and they have recently replaced a lot of play equipment.

Two storage containers are to be placed in the disused Tennis Court for the Scothern Players and Scothern Cricket Club.

Some villagers continue to abuse the car park, treating it as an extension of their drive which causes problems for regular users.

New faces are always welcome to join the committee – anyone interested, please contact the secretary – the email address is widely publicised. Our AGM is on the 11th May in the hall – anyone is welcome.
